Hot Foil Colours

Metallic Foils

Metallic foils have a shiny finish. They change in colour under changing light conditions.

GOLD	SILVER	ROSE GOLD	BRONZE	COPPER
GUNMETAL	HOT PINK	PINK	TURQUOISE	GREEN
PURPLE	BLUE	RED		

Please note that this is a guide only and does not replicate the finished colour.
Different screens will represent colours differently.

We recommend requesting foil samples if you wish to see what the colours look like.
Foils also vary depending on what colour box you choose.
