About Wood Puzzles

Wood Puzzles is a family owned and operated business located in Morayfield, Queensland. We have been making timber toys and puzzles since 1985, operating in Adelaide before relocating to Brisbane in 1995.

We aim to produce high quality products, that are educational, enjoyable, safe and available to the general public as well as schools, kindergartens and childcare centres at affordable prices.

Our products are made from renewable forest timber and paints and stains used comply with safety standards for use on children's toys. Thank you for your support.
