INTRODUCING THE DIAMOND SERIES, EVAPORATIVE AIR CONDITIONERS

You know when it's summer in Western Australia – hot water comes out of both taps, seat belts become branding irons and walking barefoot in the sand is not for the faint hearted! That's why thousands of Western Australian businesses and homeowners choose Jarrahdale Air Conditioning for their summer cooling and comfort.

Jarrahdale Air Conditioning is the name Western Australian's trust for commercial and residential evaporative cooling solutions. Since 1988, we have been manufacturing premium quality evaporative units to cater for WA's harsh climate.

Our latest, Diamond Series Evaporative Systems, are up to 80% cheaper to operate than ducted reverse-cycle systems. With energy costs continuously on the rise, this makes Jarrahdale evaporative air-conditioners a more cost effective and sustainable cooling solution for your home.

Yet the list of benefits does not stop there. Diamond Series Evaporative Air Conditioners are built tough with a great range of unique features and advantages.

Key inclusions are:

- **Automatic Temperature Control** - set your comfort level
- **20 fan speeds** - for advanced climate control
- **24 hour ON/OFF timer** - Preset the timer and come home to comfort
- **Aqua Smart water management system** - for fresh, clean water and air
- **Hush drive motor with 8 blade axial fan** - whisper quiet operation
- **Australian made electronics** - high quality & reliable parts
- **Fibreglass base** - for added strength and durability
- **Powder-coated Aluminium cabinet** - looks great & prevents corrosion
- **Pump-only mode & optional embers screens** - for bushfire protection
- **Climate seal** - prevent cold drafts during winter
- **Celdek Filter Pads** - High efficiency
- **Choice of 6 colours** – so there is sure to be a style to suit your home

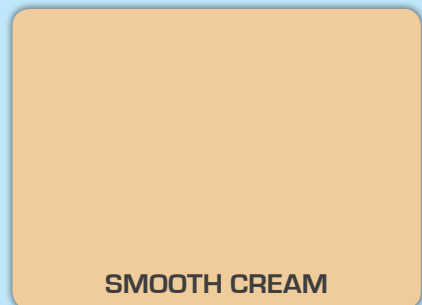

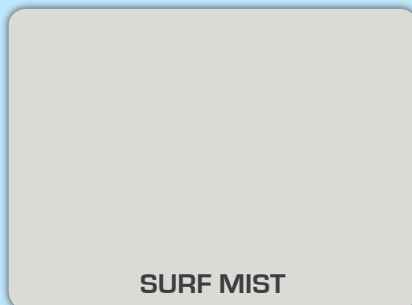

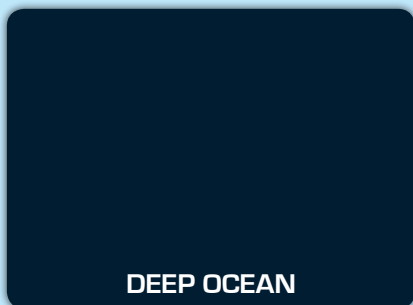

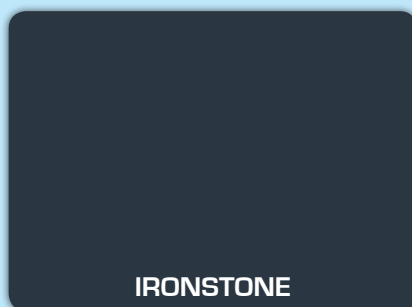

OUR ADVANCED COOLING SYSTEM

COLOUR PALETTE

Select a colour for your evaporative unit from our range of six stylish yet inconspicuous shades, designed to blend seamlessly with your roof.

NB: Every effort has been made to correctly represent the colours shown. However, due to print processes some variation may occur. When making a selection, please refer to physical colour samples available at your local showroom.
