UNSTOPPABLE PERFORMANCE IN HEAVY DEBRIS

The straight through turbine design means it can handle large debris and leaves with ease. It resists choking or jamming when the cleaning gets tough.

UNBEATABLE WARRANTIES

You have the assurance of a 2-year Full System Warranty and a 10-year Flow Turbine Warranty. This is your guarantee of years of reliable, continuous performance.

CHOOSING THE BEST CLEANER FOR YOUR POOL

Always ask your pool professional for advice. Because every pool is different, recommendations from family and friends are rarely right. Before you decide on a cleaner, you need to consider:

1. A cheap cleaner is no bargain if it only lasts a season.
2. Fewer moving parts means lower maintenance costs.
3. Buy Australian-made to withstand our tough conditions.
4. Consider the shape and material of your pool.
5. Solid warranties are your guarantee of quality.
6. Take the test. Use Kreepy Krauly's online Pool Cleaner Selector to find the right cleaner for your pool.
