Some equipment may have been changed and/or is available at extra cost. IAL may make changes at any time without notice, in prices, colours, materials, equipment and models. IAL makes all reasonable attempts to ensure the availability of all vehicles and equipment. The information in this brochure is general in nature. Your Isuzu Truck Dealer can confirm all measurements, specifications and vehicle/equipment availability upon request. Any body illustrated is not standard equipment. JUN2011 F*S-A/IS26935

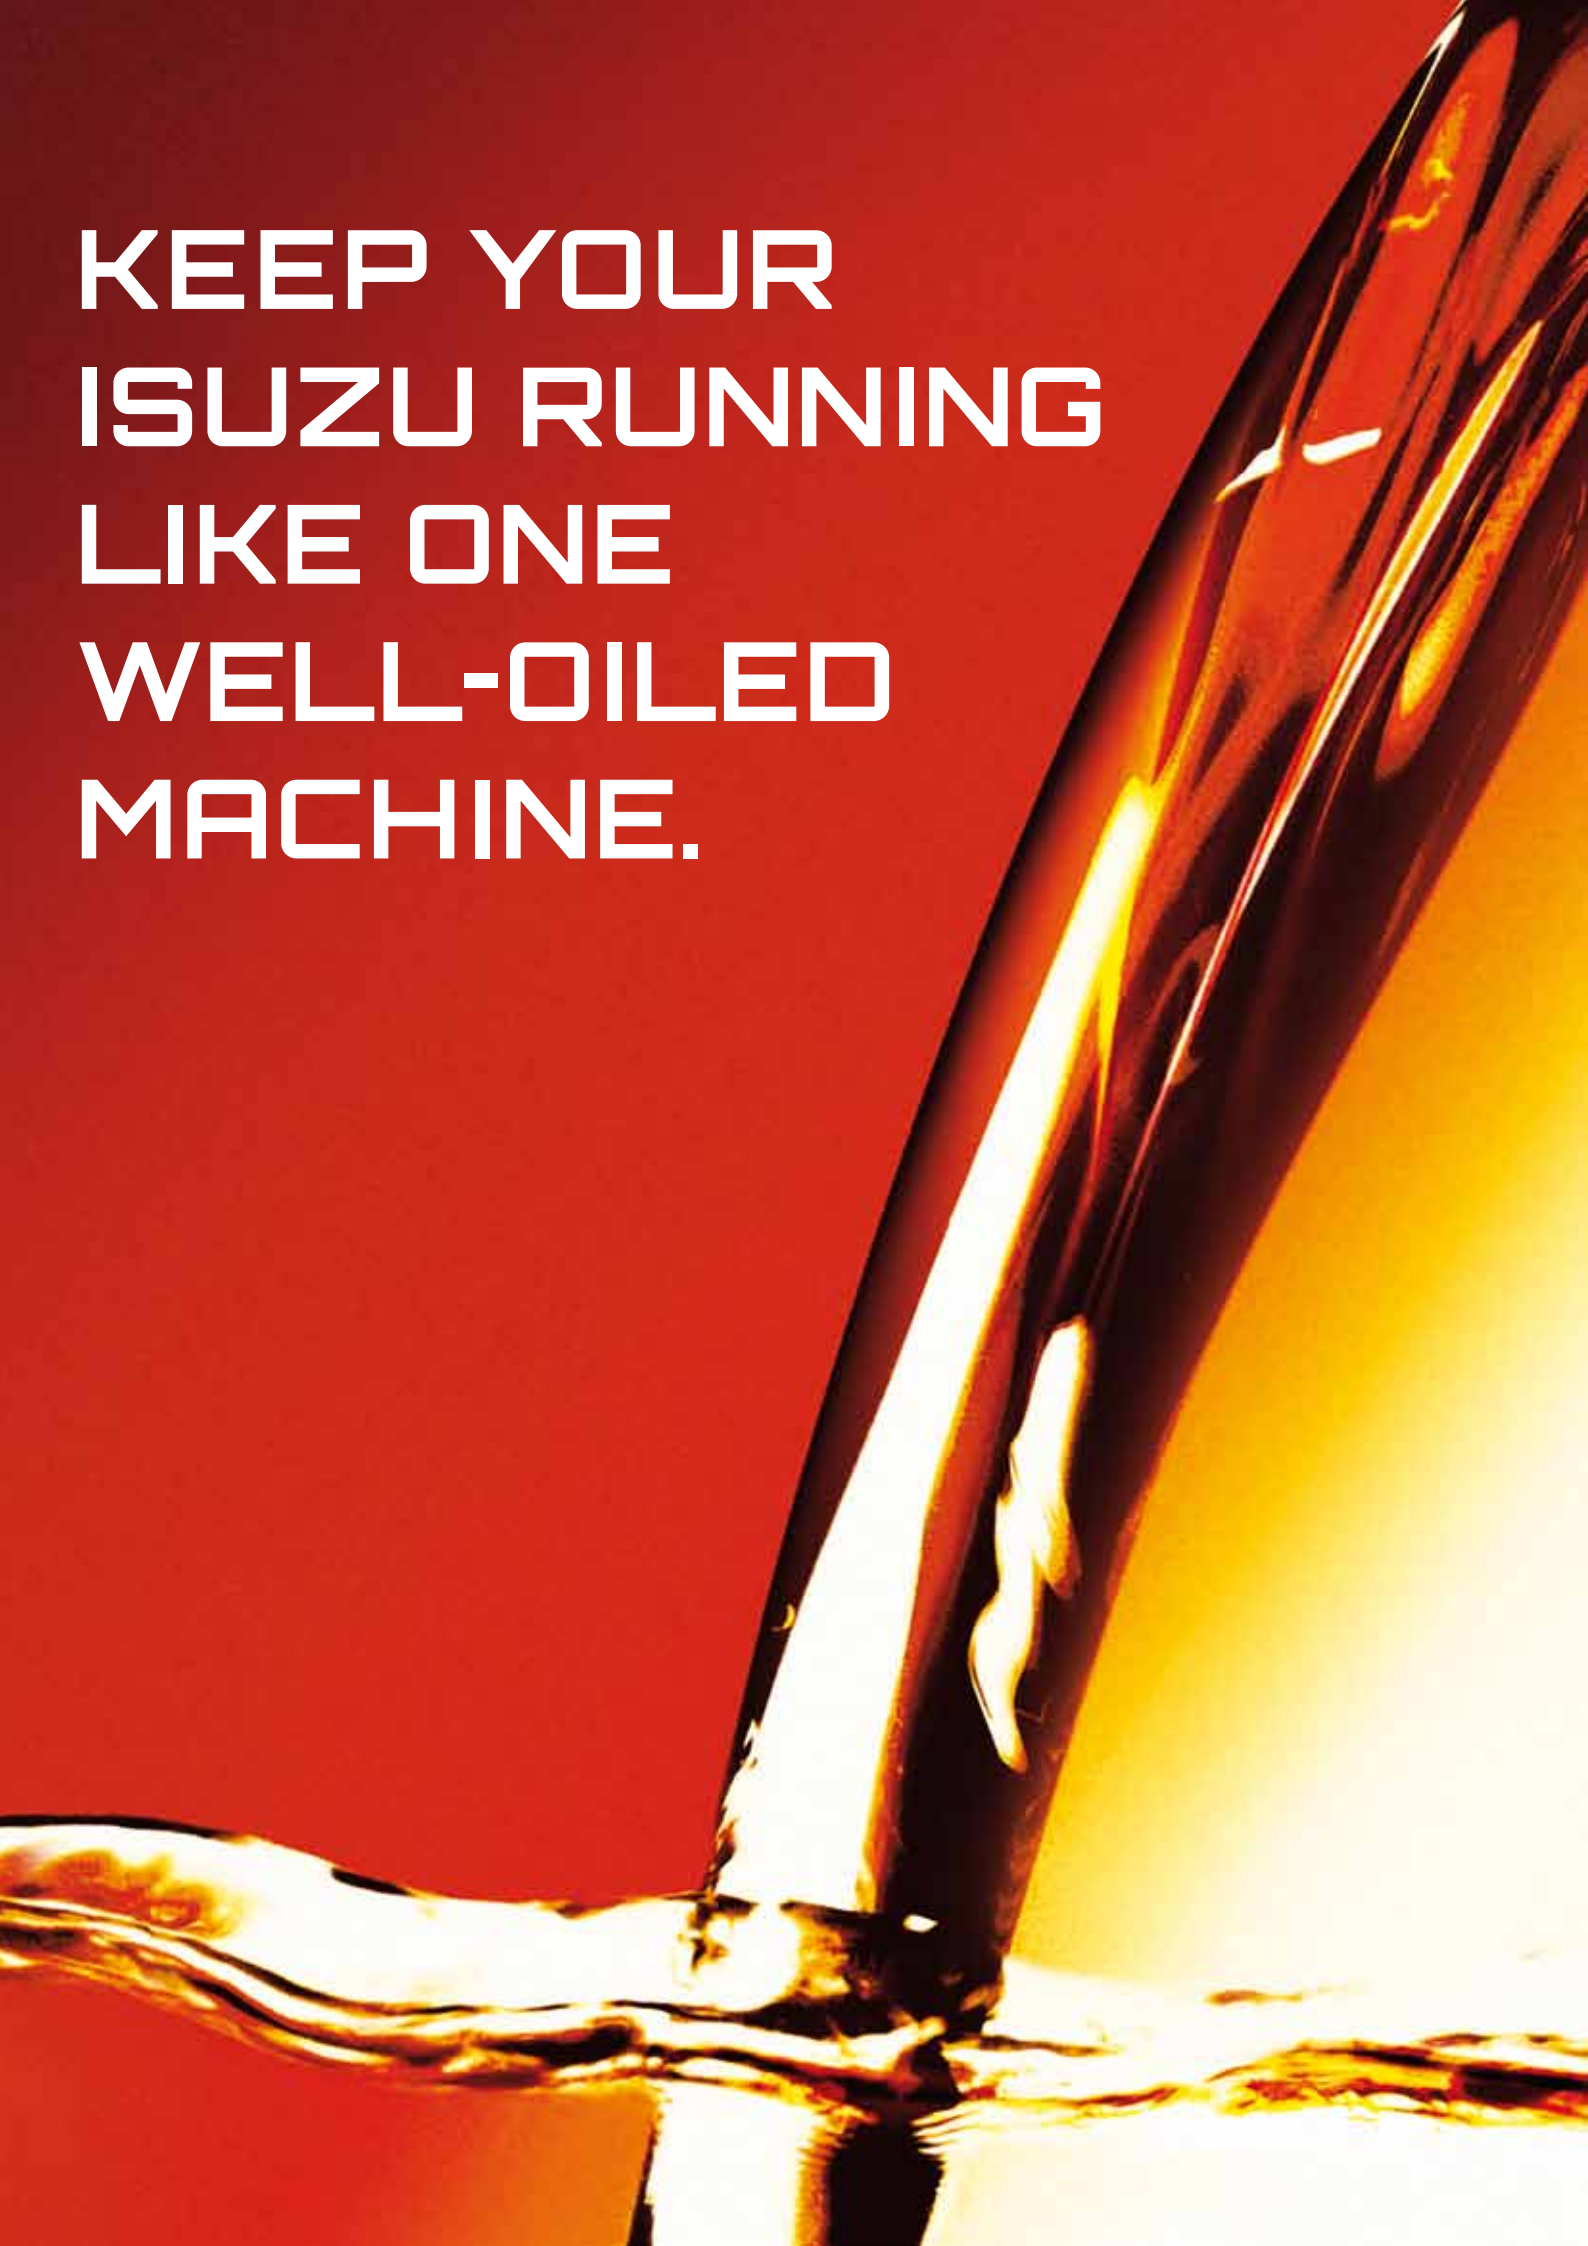

ISUZU
RELIABILITY IS EVERYTHING

OILS & LUBRICANTS

ISUZU
RELIABILITY IS EVERYTHING

**KEEP YOUR
ISUZU RUNNING
LIKE ONE
WELL-OILED
MACHINE.**

**MATCH THE ONE RIGHT
FOR YOUR TRUCK**

Isuzu's new range of N Series, F Series and Giga trucks have been designed to match any working application. Whatever the task, Isuzu's the one for the job. We've taken these trucks one step ahead of the competition with low-emission, high performance engines as well as outstanding safety features, intelligent design, enhanced comfort levels and high-tech innovations. With an increased number of

variants available including Tippers, 4x4's and Crew Cabs, when it comes to choice of truck, Isuzu is the one like never before.

Whatever your choice of Isuzu, you can now ensure it has the right oil to keep it running at peak performance.

**THE ONLY ONE FOR
SITEC III DIESEL ENGINES**

Australia's number one truck company* has developed a range of oils and lubes

formulated exclusively to suit your Isuzu.

These are genuine Isuzu products and are the only ones that will do justice to the revolutionary SITEC Series III diesel engine. This range is designed to provide unsurpassed protection and ultra-high performance, as well as assist in the reduction of exhaust emissions for a cleaner environment.

Whether it's the machine itself or the oils and lubes that keep it running smoothly, Isuzu is the one you can rely on.

**105 MODELS
1 OIL RANGE**

*T-Mark Industry Reports.

NEXTGEN PLUS DIESEL ENGINE OIL

Ultra high performance lubricant, with advanced soot handling characteristics designed to provide unsurpassed protection for all highly stressed components. Exclusively formulated for use with Diesel Particulate Diffusers (DPD).

5 LITRES 92956060 20 LITRES 92956061 205 LITRES 92956062

DIESEL GOLD ENGINE OIL

A high performance diesel engine lubricant designed to meet the requirements of all pre-Sitec II turbo and naturally aspirated diesel engines.

5 LITRES 92956063 20 LITRES 92956064 205 LITRES 92956065

TRANS 30

Designed for use in voith retarders calling for an SAE 30 grade oil.

20 LITRES 92956083

S-TRANS 75/90

Part synthetic, multipurpose, automotive gear oil with outstanding high temperature stability and performance and excellent low temperature fluidity.

5 LITRES 92956072 20 LITRES 92956073

ATF III AUTOMATIC TRANSMISSION FLUID

Semi Synthetic Multifunctional Automatic Transmission Fluid, providing longer life and smoother gear shifts. Recommended for Passenger Cars and Commercial Vehicles requiring a Dexron® III specification.

1 LITRE 92956068 5 LITRES 92956069

TRANS 50

A heavy-duty transmission oil designed for use in Road Ranger applications such as automotive, mining, agricultural, and earthmoving. An SAE 50 oil, suitable for use in Allison transmissions where a C4 specification is required.

20 LITRES 92956066

TRANS 85/140

85W140 Hypoid-Gear Oil for highly stressed differentials and transmission applications as well as other crown-wheel and pinion gears, steering mechanisms and distributor drives in vehicles and industrial machinery.

5 LITRES 92956070 20 LITRES 92956071

BRAKE & CLUTCH FLUID

A blend of glycol esters, borate esters, corrosion inhibitors and fluid modifiers. Designed to meet the needs of both light and heavy weight vehicles.

500ml 92956076 4 LITRES 92956077

GIGA AMT 90 TRANSMISSION OIL
Mono-grade gear oil designed specifically for Automated Manual Transmissions (AMT) in heavy duty Giga applications.

20 LITRES 92956085

AMT FLUID
A unique formulation ATFIII (3) designed specially for use in Isuzu Automated Manual Transmission (AMT) fluid coupling wet clutches. Provides excellent temperature stability under high stress loads.

5 LITRES 92956067

LONG LIFE ANTI-FREEZE COOLANT
Isuzu Long Life Anti-Freeze Coolant offers superior aluminium corrosion protection and heat transfer properties, is anti-foaming and can be readily mixed with good quality water.

1 LITRE 92955040
5 LITRES 92955041
20 LITRES 92955042

CAB TILT OIL
Zinc-free hydraulic fluid suitable for all Isuzu Cab-tilt applications.

1 LITRE 92956078

LSD ADDITIVE
Friction modifier designed to be used with Isuzu Trans 85/140 for all Isuzu limited slip differential applications.

118ml 8010523580

PRE-MIXED ANTI-FREEZE COOLANT
Isuzu Premixed 50% Long Life Anti-Freeze Coolant offers superior aluminium corrosion protection and heat transfer properties.

5 LITRES 92955193
20 LITRES 92955194
205 LITRES 92955196

GREASE MP2
Isuzu Grease MP2 is recommended for wheel bearings and highly stressed bearings in all vehicles if an extension of greasing intervals is required. Isuzu Grease MP2 improves wear protection.
