BRILLIANT FOR DISPENSING BRETT'S TRUCK LIQUID PRODUCTS

- Superior polypropylene construction - chemical resistant – strong acid and alkali resistance
- True double action pump – innovative, easy, patented pumping technology
- Delivers on both the up and down stroke – continuous fast flow
- Anti pumping/safety device – deters access by unauthorized personnel
- Pumps from base of container – all contents emptied
- Unique Ezi-action® Adaptor Fittings – leak free, secure fit
- Constructed from FDA compliant plastic – confidence with liquid foods
- 24 month manufacturer's warranty – high quality construction, confidence that liquids will not be contaminated
- Fully serviceable – dispense container after container, year after year
- Optional: Tube fitted with Ezi-action® Non-Siphon Check Valve
- Manufactured in New Zealand.
