**\$199<sup>00</sup>**

## WEEKENDER

(Shown with optional side walls)

**FREE SIDE WALL  
WITH EVERY BEDARRA  
WEEKENDER, HERON  
& BRAMPTON TENT!**

The Weekender Tent finished with the highest score in the "What to buy" section of CHOICE Tent Comparison.

This innovative tent features Outdoor Connection's Hornet Pole Design which gives excellent internal space and headroom with near vertical side walls. **Ventraflow** panels and large windows and doors guarantee excellent ventilation for hot summer weather. The unique optional awning side walls help make a truly usable awning area. The Weekender is the one room tent in Outdoor Connection's Resort Range which all share the Hornet Pole Design, large windows and doors and many other features.

### Tents in Resort Range:-

TD.16

#### WEEKENDER 1 ROOM

**\$299<sup>00</sup>**

TD.15

#### HERON 2 ROOM

**\$379<sup>00</sup>**

TD.14

#### BRAMPTON 3 ROOM

**\$529<sup>00</sup>**

TD.13

#### BEDARRA DELUXE 2 ROOM

**\$439<sup>00</sup>**

Outdoor Connection's Resort Range of Tents include the **Weekender, Heron, Brampton and Bedarra** all featuring the **Hornet Pole System**, which gives exceptional headroom and internal space. Each tent has large doors and windows for maximum ventilation and internal door and window covers for privacy and draft protection in cooler months. **100 Denier HiCount Fabric** on the outer fly gives superior strength, durability and 2000mm waterproofing. The use of **Outdoor Connection's** unique **UV-PROTEK** treatment provides maximum resistance to fabric degradation from the damaging effects of UV light offering longer life to your investment.

The front and rear awning can be erected with 3 adjustable poles so that water does not pool in the rain. Optional **Awning Side Walls** will give added protection to the awning area. This gives a proper all weather awning area not found on other dome tents. In conjunction with the large floor to ceiling inner windows, the **Ventraflow** panel allows a cross-flow of cool air down low where you sleep for those hot Australian summer nights.

- **100 Denier HiCount** fabric for superior strength and durability
- **UV-PROTEK** treatment resists fading & fabric degradation from UV light
- Strong spacious **Hornet Pole System**
- **No-see-um** ultra fine mesh
- Door locks for added security
- Large windows & **Ventraflow** panels for superior ventilation

## WHY OUTDOOR CONNECTION TENTS?

Outdoor Connection's commitment to quality and innovation is clearly seen in their Canvas and Dome tent range. Large doors, windows and **Ventraflow** panels ensure superior ventilation for hot Australian summers. Unique pole systems provide near vertical side walls on many models to give exceptional internal space. Finally top quality materials and workmanship ensure a trouble free holiday.

### MORETON

**\$749<sup>00</sup>**
