To help support, in a tiny way, my special Needlework Shops during Social Distancing, I've designed a little freebie for shops to kit up as they wish. I hope a needle and thread in your own little comer brings you comfort. I'm suggesting a neutral fabric in your favorite count and the following fibers.

# Lucy Beam Love in Stitches

You may or may not want to stitch in the little "COVID19" that I charted above the bird. I wanted to include this as a reminder to myself of the unprecedented time that we are living in and the motivation behind this free chart. You could instead leave that area unstitched, or put in a simple initial and date. This free chart is part of a movement of several of your favorite cross stitch designers hoping to encourage both safe and careful practices, but also wanting to help support the needlework shop businesses whose doors may be temporarily closed by the new federal regulations. In that light, I chose to call for some of the brand new thread colors recently released at the 2020 Nashville Needlework Market. If you also want to try out a lovely new linen color,

I recommend Picture This Plus "Vellum" on the count of your choosing.

To find the other free charts in this collaborative series, search the hashtag \#bewellandstitch or give your LNS a call.

## HANDSON DESGN

A conversation among a group of designers has come together as a tiny but mighty movement to create a project of free designs for stitchers. Imagine a basket or bowl filled to the brim with wellness needlework! Follow the hashtag \#bewellandstitch to stay in the loop with this project.

Once you have your free charts in hand, please consider, if you are able, placing an order with your needlework shop for threads or fabrics, embellishments or trims. Many shops are offering specials as they continue to serve stitchers. As always, you can find a list of shops that carry Hands On Design charts on my website.

Take care of yourself, your family,
your neighbor, and your community. BE WELL

Stitch count: 87 wide x 93 high. Suggested fabrics: any neutral will do nicely; I've looked at French Vanilla from R\&R Reproductions and Picadill White Legacy linen. Three thread options are noted here - Weeks Dye Works cotton, Belle Soie silk from Classic Colorworks and DMC.

We are living in trying times at the moment. Each day brings changes to how we live our daily lives. It is to say the least, stressful. In a conversation with fellow cross stitch designers, we decided one small way in which we could help our stitchers was to create a project of free designs. Each stitch you take as you work on the \#bewellandstitch designs will bring solace to your needlework soul, Calm amongst the Crazy. As you complete each design, finish them into bowl fillers for a springtime basket of hope. And please do share your progress on social media, so we can share in the journey together. Be sure to follow the hashtags \#bewellandstitch and \#summerhousestitcheworkes, so you can join in the movement! But most of all, Pray, Hope, Be Well \& Do Not Panic!
Once you have your free charts in hand, please consider placing an order from your favorite needlework shop for the threads, fabric or trims. Shops need your patronage to get through this crisis! Check the list of shops that carry Summer
 House charts on my website. Enjoy the Stitch!! Beth
Cross stitch over two linen threads with one or two strands of floss, depending on your fabric count. The words Pray \& Hope are stitched over one linen thread, so use one strand of floss for those words. The alternating line of stitches below the words, "Do Not Panic," can be stitched as cross stitches or herringbone stitch. I plan to use herringbone stitch for mine.
Stitch Count: 87 (w) x 27 (h)
Fabric: Count and color of your choice, I will use a 36 or 40 ct., as those are my favorites.
Floss: DMC or choose your own!

I suggest stitching on 32 count Wren linen from Picture This Plus over 2 threads with 2 strands thread.
Backstitch the birds' legs in 1 strand Black Coffee.

Your physical health and your emotional well-being are important. Be mindful of both. Stitching helps! Be well,
