

A HEALTHY MESSAGE TO OUR PAINTED TURTLE CHOCOLATIER CUSTOMERS

We want to reach out and let you know that the safety of our customers and employees is our top priority. We are following the CDC and MN Department of Agriculture sanitation requirements in our production kitchen and in our retail store to ensure that our products and shop are safe for you our customer and for our employees.

According to Governor Walz and the Stay at Home Executive Order 03-25-20, and the MN Department of Agriculture, Painted Turtle Chocolatier is considered an essential business because we fall under the food and agriculture guidance. We manufacture food, have carry out food, and do not have on-site food consumption.

We have a few options for you:

- 1) The Painted Turtle Chocolatier store is open from 10AM to 4PM Tuesday-Saturday. There are only a few customers in the store at a time, usually 1 to 2. There is a maximum of 5 customer allowed at any time, but so far 3 people is the most we have had. So no worries. We ask the customer to keep a distance of 6 feet.
- 2) You can go to the website and order. It will ship via USPS.
www.paintedturtlechocolatier.com
- 3) You can call us at 763-424-9475 and place your order on the phone. We will be happy to help you with your selection. You then can pre-pay, pick it up in the shop, or curbside.

So on your way to the grocery store please remember we are here with an abundance of chocolates for your Easter goodies and lots of everyday chocolates too.

Thank you for your continued patronage. Please stay safe and healthy!!

Gratefully,

Pat Godfrey
