

# STAY SAFE, CALL AHEAD!

We have taken steps to ensure support and safety of our customers, staff and all our families during the COVID-19 outbreak. We understand that you are relying on us to keep your business operational and our priority is to make sure your goods are available quickly and safely.

**We ask that all customers call ahead with your orders and limit entry to our premises.**

We shall pick and have your order ready for collection as soon as possible. Please follow the signs at our premises for the collection point.

## If you need to enter our premises we ask that you follow our guidelines:

- a. On entry, apply hand sanitiser to your hands;
- b. Practice strict social distancing;\*
- c. Do not congregate at the sales counter;
- d. Minimise the use of cash or cheques;

**\* Social distancing means being 2 meters physically away from others.**

## We ask that you DO NOT enter our premises if you have:

- a. Not been following current government social gathering or mandatory restrictions;
- b. Returned from overseas in the last 14 days;
- c. Had contact with someone who has returned from overseas in the last 14 days;
- d. Any cold or flu symptoms including a temperature or cough.

## What our staff are additionally doing to protect you:

- a. Following current government social gathering restrictions after work hours;
- b. Limiting contact with freight providers;
- c. Frequently washing hands throughout the day;
- d. Practicing social distancing with each other;
- e. Regular sanitising of communal surfaces.

If you have been in physical contact with or in the presence of anybody that has been outside of Queensland within the last 21 days we would also like to be advised prior to entering the premises or collection.

By following these guidelines, we may avoid more permanent restrictions placed on our local community.

We thank you for your understanding and cooperation during these unprecedented times.
